Letter No 17026 D/ the 20th June 1931 from the Chief Engineer forwarding for the sanction of Government the plans, estimates and specifications for the construction of a first floor to the Old College Head Office building.

X. Rs 25,500/-
Flag Y

1) In Govt No 2381-87/Annexure 3 dated May 1931, the construction of a first floor to the Old College building, at an estimated cost of Rs 25,5 has been sanctioned.

2) It is requested the plans and estimates might be scrutinised and the Chief Engineer asked to start the work as soon as the abstract estimates as sanctioned are received. Submitted to the Hon. C & Dir Secretariat for orders

C.S. As Mr. Bannerjee has not 28/5/31 anywhere signified his willingness for the construction of a first floor perhaps his countersignature might be first obtained before the work is started

As pointed out by the Financial Secretary, there is sufficient authority in the file to presume that Mr. Banumiah has agreed to the payment of a sum of Rs 10,000/- and its utilization towards the construction of the first floor. To take an assurance from him, I consulted him -- I may perhaps add, in the presence of the Financial Secretary -- and he agreed to the payment of the amount for adding the first floor to the existing building. I do not think any further doubt need be entertained in the matter of that his countersignature to the estimate is necessary.
